

## ADDENDUM C

### STUDENT INFORMATION

# C. STUDENT INFORMATION

## 1. OVERVIEW

*Include only full-time students recorded as majors in the program being reviewed for the last five years.*

### Notes:

- Figures are given based on the Fall semester of each academic year, with "current year" being 2015-16. Current year data was assembled from rosters of enrolled students and final admissions figures as of 07-01-2015.
- Out-of-state does not include foreign (meaning our international students, who pay out-of-state tuition), and otherwise typically only includes our first year MLA students as most U.S. citizens then attain in-state status for their successive years in the program.

Detailed information for in-state, out-of-state, and foreign students for the current AY 2015-16 is not available until after census date in September 2015.
