| | TOTAL CREDITS FOR GRADUATION | | 54 | | | |

^{*} Documentation and advisor approval required for waived courses/ advanced standing

NOTES:

Unless a student already has the application skills taught in Planning Technologies, they should take it before Planning workshop. Planning Law & Institutions is not recommended in the first semester.

Planning Practice & Engagement is recommended for the first year.

In 2025-2026 both Urban Development and Urban Sustainability are expected to be offered in both fall and spring.
