

## Spring 2026 CAP Course Offerings

January 8, 2026 (Subject to change – please see [UCDAccess](#) for most up-to-date information)

Classes marked with an \* are courses that meet with other departments or levels.

Please see [modality definitions](#) via the CU Denver/Anschutz Campus Catalog.

**Note:** by registering for section 001 of your studio you are giving the Registrar and/or the CAP Course Coordinator permission to move you to your new section based on balloting and sorting results.

| Course Subject               | Course Number | Course Section | Course Title                               | Days  | Start Time | End Time | Instructor    | Credit Hours | Modality  | Notes                                                                 |
|------------------------------|---------------|----------------|--------------------------------------------|-------|------------|----------|---------------|--------------|-----------|-----------------------------------------------------------------------|

## Spring 2026 CAP Course Offerings

January 8, 2026 (Subject to change – please see [UCDAccess](#) for most up-to-date information)

Classes marked with an \* are courses that meet with other departments or levels.

Please see [modality definitions](#) via the CU Denver/Anschutz Campus Catalog.

**Note:** by registering for section 001 of your studio you are giving the Registrar and/or the CAP Course Coordinator permission to move you to your new section based on balloting and sorting results.

| Course Subject | Course Number | Course Section | Course Title                               | Days    | Start Time       | End Time         | Instructor                | Credit Hours | Modality  | Notes                                                                                              |
