Auraria Passed Forward

Project Goals

• Physical recognition of the Native Lands and the indigenous people

• Community outreach to collect narratives and artifacts from displaced Aurarians for permanent exhibit on campus

• Expanding the landmark designation of the 9th street corridor to include Chicano history

• Future grants to explore community-oriented cultural uses for Casa Mayan and other 9th street building

• Exhibit at Emmanuel Gallery

• Book, documentary, and other media on the campus’s history and future

• Community discussions about the campus’s past, present, and future

• Mandatory community engagement board for future campus planning
