Auraria Passed Forward

Project Goals

- Physical recognition of the Native Lands and the indigenous people
- Community outreach to collect narratives and artifacts from displaced Aurarians for permanent exhibit on campus
- Expanding the landmark designation of the 9th street corridor to include Chicano history
- Future grants to explore community-oriented cultural uses for Casa Mayan and other 9th street building
- Exhibit at Emmanuel Gallery
- Book, documentary, and other media on the campus's history and future
- Community discussions about the campus's past, present, and future
- Mandatory community engagement board for future campus planning
