

Cost of Attendance Estimates for 2026-2027

The estimated costs below are for Academic Year 2026-27. Tuition and fees may increase in the 2027 - 2028 academic year and beyond and are otherwise subject to change without notice. These rates may not reflect all costs for every degree program. The costs are estimates and can vary based on the pace of each student through their degree program, advanced standing status, etc.

Please visit CU Denver's Tuition and Fees website for detailed tuition and fee information.
